Solicitation 52-DGNW-2-91011  
Amendment 0001

The purpose of this Amendment 0001 is (a) to respond to certain questions raised concerning Solicitation 52-DGNW-2-91011 and (b) to make a change to the solicitation based on the response to one of the questions.

A. Following are the Government's responses to questions received concerning Solicitation 52-DGNW-2-91011:

Question #1: We understand that the generators are to be installed in countries other than the United States; thus, we would like to know if the Contractor is subject to any tariffs.

Response: It is understood that there shall be no taxes or duties levied on the Contractor with respect to performance of any contract resulting from this solicitation by the foreign countries (or political subdivisions thereof) in which performance of the contract takes place. By Paragraph B below, Federal Acquisition Regulation (FAR) clause 52.229-6 has been added to the solicitation (and any resultant contract) along with a note stipulating this understanding.

Question #2: Additionally, if the generators are installed on "Non U.S. Territory," is the Contractor required to obtain a working permit(s) for each country?

Response: The United States has specific bilateral agreements with the recipient countries which exempt personnel from any requirement to have working permits to perform this work.

B. Solicitation 52-DGNW-2-91011 is hereby amended as follows:

1. In Paragraph (w) of Federal Acquisition Regulation (FAR) Clause 52.212-4 applicable to this solicitation (see Page 4 of the "Addendum to FAR Clause 52.212-4" contained in the solicitation), the following FAR clause (and Note pertaining thereto) is added to the list of FAR clauses incorporated by reference in the solicitation (and any resultant contract):

Clause No.	Date	Title
52.229-6	Jan 1991	Taxes -- Foreign Fixed-Price Contracts

Note: With respect to FAR Clause 52.229-6, it is understood that there shall be no taxes or duties levied on the Contractor with respect to performance of this contract by the foreign countries (or political subdivisions thereof) in which performance of this contract takes place.
